

Dear Minister of justice, Supreme court, Supreme public prosecutors office, Tokyo high court, Tokyo high public prosecutors office.

**The request for the signatures to demand the death penalty against the accused, Japanese 47-years-old man, Yasumasa Shibuya.**

On March 24<sup>th</sup> 2017, in Matsudo city Chiba, 47-years-old Japanese man, Yasumasa Shibuya kidnapped my daughter, 9-years-old Vietnamese girl, LE THI NHAT LINH. Inside his car, the accused committed indecent assault and strangled my daughter to death, and abandoned the body without any clothes under the bridge. At that time, the accused used to be a president of Parent-teacher association, which should be a role model for the child protection. But incredibly, he used his position in order to do such an evil act of savagery.

The accused Yasumasa Shibuya kidnapped, maltreated, and did the sexual violence, murdered the child in the end. Although committing such an atrocity, the accused didn't regret and reflect on his past conduct at all. On the contrary, he might have kept those weapons that were used for my daughter's case for the purpose of killing other child. Even before my daughter's case, other child might have been killed through the same weapons.

The accused Yasumasa Shibuya was arrested in charge of murder, molestation etc. on April 14<sup>th</sup> 2017, and was rendered indefinite prison term by Chiba district court on July 6<sup>th</sup> 2017. Even though, the accused pleaded not guilty. His committed crime cannot be forgiven by heaven and earth, any Gods.

I'm sure that Yasumasa Shibuya cannot be rehabilitated. If the court decision would be final, he could be released from the prison someday. That could give him an opportunity to commit another heinous crime. In any country in the world, such an accused should be punished strictly. For the warning to others who are inhuman as much as Yasumasa Shibuya, the accused must be sentenced to death. So that could serve a lesson to avoid same kind of tragedy. To all of you in the world, let's take an action for the safety of the child.

If you would agree with us, please sign the following column to demand the death penalty against the accused Yasumasa Shibuya.
